

Blind and partially sighted people need your help!

Visibility is your local, west of Scotland sight loss charity. We help adults, children and families to cope with sight loss. With your support we can do more.

Every little helps – please use the reverse of this form to make a donation. 93p in every £1 is spent directly on local services.

“Visibility has helped me understand Lily’s sight loss – now I feel much more confident as a mum.”

Karen, who attends our toddler group

“It was great to try out lots of magnifiers and equipment at Visibility to find out what was best for me!”

Molly, after a visit to our resource room

“I was in a big bubble before Visibility – now I’ve met lots of friends and we do fun things I never thought I’d be able to do.”

Sophie, who comes to our teen meet-ups
